Also, a few Fossil Plants suitable to be copied as Casts. This aeries is quite complete in its variety of forms, containing full material for illustration by the teacher of Geology in our Academies, Normal Schools and smaller Colleges. Its specimens vary in size from small shells to skulls and entire skeletons several feet in diameter. It wilt fill the shelves of a cabinet room twenty feet square. Each specimen is accompanied by a handsome printed label, and the display and graphic effect of the whole is very great. To still further augment this display, there have been added three huge specimens, which are intended to stand independently on pedestals in the middle of the room. One of these - the Glyptodon, or great Fossil Armadillo - is nine feet long and about four feet high. These three specimens form a Supplement which may be taken with the cabinet, or may be omitted, as the purchaser elects. The price of this entire Academy series, carefully boxed, and delivered at the Rochester freight office, is \$500. The price without the supplement is \$300. College Series. This series consists of three hundred and thirty specimens, chosen like the preceding series, among the most noteworthy forms in the whole range of Fossil Organisms. The natural classes and orders are all here represented by copies of the most celebrated Fossils - the originals of which form the scientific treasures of Royal Museums, and are single and unique....
