THE LAIR OF THE WHITE WORM - THE ORIGINAL CLASSIC EDITION

DOWNLOAD

Emereo Classics, Australia, 2012. Paperback. Book Condition: New. abridged edition. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.The Lair of the White Worm (also known as The Garden of Evil) is a horror novel by Irish author Bram Stoker, who also wrote Dracula. It is partly based on the legend of the Lambton Worm. The book was published in 1911 by Rider and Son in the UK, the year before Stokers death, with color illustrations by Pamela Colman Smith. In 1925, it was republished in a highly abridged and rewritten form. Over a hundred pages were removed, the rewritten book having only twenty-eight chapters instead of the original forty. The final eleven chapters were cut down to only five, leading some critics to complain that the ending was abrupt and inconsistent. In 1988, it was adapted into a film by Ken Russell. This is a crazy little story that transported me out of my routine. I like the way Stoker shows warm feelings between the characters then juxtaposes them with an environment of extreme violence and insanity. If not for the repose of normal people in the novella, the strangeness of the story would cause it to fall apart. This is Stokers signature method in Dracula as well. I loved the story and think its the authors second best novel after Dracula. This is a high quality book of the original classic edition. This is a freshly published edition of this culturally important work, which is now, at last, again available to you. Enjoy this classic work. These few paragraphs distill the contents and give you a quick look inside: Salton, during the journey to Southampton, often wondered if his grand-nephew was as much excited as he was at the idea of meeting...
