Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating throgh reading time. Your life span will be enhance when you complete looking at this publication.

(Laurence Littell)

RING OF TALL TREES

Vancouver, British Columbia, Canada: Raincoast Book Dist Ltd, Vancouver, British Columbia, Canada, 1992. Hardcover. Book Condition: New. Dust Jacket Condition: As New. Smal nick on top front of the dust jacket. From School Library Journal: Grade 3-6-- Dylan's family has just moved onto the farm they've always dreamed of--50 acres surrounded by old-growth forest in the Pacific Northwest. One day, while exploring, Dylan finds a clearing ringed by towering cedars, a sacred grove where the spirit of an elderly Indian appears and gives him a warning he must transmit to his friends in the local Native American community. With a mixture of rituals and legal tactics, Dylan's family and the local people foil the loggers who would like to clear-cut the forest. Both loggers and environmentalists' viewpoints are presented, although Dowd's sympathies are clearly with the latter. There is no depth of character development, but the story is well told and well paced. The Native Americans are treated both realistically and respectfully. The short length (just over the 100 page minimum set by many teachers) will make it popular with students looking for skinny books for book reports. --Li Stark, North Castle Public Library, Armonk, Copyright 1993 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.
