Prometheus Books, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Kellogg is that rare person, a learned author who wears his learning lightly and so can make an impression on his nonspecialist fellow seekers after wisdom." -Charles Fried, Former solicitor general of the United States and Beneficial Professor of Law, Harvard Law School "Kellogg offers an accessible, engaging review of the masterpieces of Greek literature in their ancient cultural, political, and historical contexts as part of a larger argument about why we need to consult them, for both guidance and pure enjoyment. . . . An ideal introduction to the origins of Western culture, both for students and for anyone interested in making sense out of the frequent nonsense of..."
