Stealing Americas Future: The Unintended Consequences of Progressive Liberalism

By William Steiner

Dog Ear Publishing. Paperback. Book Condition: New. Paperback. 200 pages. Dimensions: 11.0in. x 8.3in. x 0.4in. Stealing Americas Future makes a comparison of today's America to late 19th Century Europe using two rare books, *The Conventional Lies of our Civilization* by Nordau, describing Europe's elitist leadership, and *The Soviets at Work* by Lenin, outlining the Russian Revolution as it took place. Not a part of the discussion of history, both provide frightening detail about the nuances of the geopolitics of Europe, circa 1900, that relate to today's America. Using heartwarming family stories, humorous anecdotes, incisive criticism, and cold factual analysis, it describes how progressive liberalism, with its attempts at social engineering and excessive permissiveness, has brought social and economic disaster to America. David Letterman relating to Sarah Palin I fear he sees her as more man than he will ever be and more woman than he will ever get. Bill Maher relating to Michelle Obama . . . my only conclusion about Maher is that he is just another angry little bully who is fearful of powerful women. . . Is it time to separate the North American Continent into a federation of smaller component nations better reflecting the economics and...
