Reviews

*This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)*

DRAWERS BOOTHS

Covingtonmoore. Paperback. Book Condition: New. Paperback. 218 pages. Drawers and Booths by Ara 13While a Marine Corps corporal acts as a liaison between an island nation and the U. S. Army, his story is hijacked by a displaced narrator seeking a suspected criminal. The disruption causes the characters to become aware of their role in a novel, even rebelling against the authors intent, in this layered, metafictional journey; poignant, hilarious, and utterly unique. An Independent Publisher Outstanding Book of the YearAra 13 won a Bronze Medal as Storyteller of the Year, from IPPYthe worlds largest international book awards competition, independent or otherwise. His novel was selected from 3, 175 entrants representing 16 countries. According to 2008 Independent Publisher Book Awards, Ara 13 exhibits the courage and creativity to take chances, break new ground, and bring about change, not only to the world of publishing, but to our society. Writers Digest gives Drawers and Booths 18 out of 20 points. Its a well-researched story; the authors experience clearly shows. Ara 13 has a voice thats cynical and world-weary, and strangely intriguing. Drawers and Booths strong indie following earned it a Glengarry Book Sales Award. About MetafictionMetafiction is the literary term describing fictional writing that self-consciously draws attention to its status as an artifact by challenging the relationship between fiction and reality. Metafiction reminds the reader that he or she is reading a product of authorial intent. About Ara 13Ara 13 is an IPPY Outstanding Book of the Year winner, a recipient of an Eric Hoffer Book Award, and a Marine Corps journalist awarded medals from four branches of the U. S. military. Ara comes from a long line of primates. His ancestors are directly responsible for the fashioning of the wheel and the discovery of fire. One of his ancestors was...
