In this new book from award-winning teacher David Sherrin, you ll find out how this lively instructional strategy will make learning a more immersive, engaging, and memorable experience for your middle school and high school students. The book includes: * a clear how-to guide to get the most out of mock trials in your class; * ready-made units and lessons to get you started right away, complete with sample scripts, primary source documents, scaffolding worksheets, and assessment rubrics; * templates and step-by-step instructions to help you design your own mock trials. The pre-made units, which Sherrin spent years refining in his classroom, cover historical topics such as the Nuremberg Trials and the inquisitions of Martin Luther and Galileo. You ll also find fun and interactive mock trials based on the literary works *The Pearl* and *To Kill a Mockingbird*. These lessons will help students at all ability levels to become better readers, public speakers, and critical thinkers.
