Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Germaine Welch)

SACRED AGRICULTURE: THE ALCHEMY OF BIODYNAMICS

Lindisfarne Books. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 9.0in. x 6.1in. x 1.4in. Dennis Klocek explores the essence of biodynamic agriculture, in particular the nature of inner development needed to utilize such methods effectively. He tells us that biodynamics requires constant self-development and an intimate knowledge of and relationship with the plants, animals, weather, earth, the preparations and much more. Based on numerous lectures presented to serious biodynamic gardeners, farmers, and winemakers, the author presents his views within a structure of Goethean observation, alchemical language, and the classic four elements, all based on the work of Rudolf Steiner and other pioneers in this field, as well as his own many years of interest in biodynamic methods, both conceptual and practical. This is not a book of recipes and how-to techniques, but a guidebook to the inner means of working with the elemental nature of the earth, showing ways to read in nature what is needed. Includes more than 150 photos and illustrations. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
