Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

(Shyanne Senger)

GRAVE VISIONS

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Grave Visions, Kalayna Price, Grave Visions by Kalayna Price is the much-anticipated fourth instalment in the kick-ass urban fantasy series about Alex Craft, a grave witch who can communicate with the dead. If you want to hear voices from the dead in Nekros City, you call Alex Craft. She's a Grave Witch with reasonable rates and extraordinary powers, who specializes in revealing the secrets of the dead. But now she's the one fighting to keep her own secret. She's not human - and her newly discovered heritage is causing havoc for her both in the human realm and in Faerie. But her status as an unaffiliated fae also makes her an ideal candidate to investigate a new street drug that has surfaced in several of the spaces between the human and fae worlds. This glamour-infused drug causes hallucinations that turn real - at least for a while and often with deadly consequences. Searching for the source of this drug - and its purpose - lands Alex front and center in the conflict brewing in Faerie and she must find answers before she's dragged so deep she loses her freedom. Praise for Kalayna Price: "Fascinating magic, a delicious heart-throb, and a fresh, inventive world." (Chloe Neill).
