### ***Reviews***

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Gregory to develop and establish this system in its entirety. To this work he bent all his energies during his three terms of office as superintendent of public instruction. These terms covered the years 1859 to 1864. But several years before this, Dr. Gregory had become an influential factor in the educational activities of our State. While he was still the head of a classical school in Detroit, he showed his deep interest in public education. In 1853 he was elected president of the State Teachers association, which had just been organized, and in 1856 became one of the founders of the Michigan Journal of Education, which was edited by him for five years and to which he contributed many notable articles, the titles of some of which I can only stop to mention, such as Primary Education, The Claims of Education upon Capital, The Parent vs. the State, Morals in Public Schools, The Parent the Chief Educator. His farewell as editor in 1858 it seems worth while to quote: With this issue, he says, closes the fifth volume, and the present editor retires from his post. Called by Divine Providence to another department of the great work, he leaves to other hands the care of filling these pages. We have labored ever with the single aim to promote the great interests of universal education. This aim we shall pursue with unfaltering faith. These are not idle words. This promise was...
