Brand New Book ***** Print on Demand *****.If Sex and the City had a love child with The L Word, her name would be Cate Hunter. After being recently dumped, Cate has had to pick up the pieces on her own. She made a career move to become a tour guide and is trying to find her niche with her new job, as well as find herself again. Cate is shy, professional, and perhaps even a bit nerdy on the outside, but on the inside she is inappropriate, immature, and probably not someone your mother would pick out for you. She is truly the wolf in sheep s clothing. Right now, her heart is broken, and she has sort of been wondering through her training and her free time, hoping for a bit of relief from the emotional complications of her world being turned upside down. Semana Santa (Holy Week) in Mexico is a wonderful time of celebration, spring break, Carnival, and the remembrance of Jesus final steps. It is also Cate s last training with supervision before she officially goes out on her own. What could possibly go wrong with 12 nuns from Scotland who book a tour to San Cristobal de las Casas, Mexico? Cate s heartache lingers while trying to manage herself, her guests, and her training partner, but can she find time for a little bit of fun? Don t let the description trick you into thinking Cate is on her best behavior. She is still struggling to find herself again, but she does what she can when she can.
