Brand New Book ***** Print on Demand *****.Excerpt from India Illustrated: With Pen and Pencil India, a stately and sonorous word! To the thoughtful scholar it suggests distance, vastness, wealth, scenic and historic charms, ancient art, barbaric wealth, as well as potential factors of national greatness. Sir Edwin Arnold has not unduly exalted the importance of a visit to India in any liberal education. No thinker can be an intellectual exile here. The student of language, history, ancient philosophy, or antique civilization finds a treasure house in the India of the past. She has been the nurse of useful arts, of subtle thought, and of epic verse. Fantastic mythologies, curious speculations, and occult sciences have here had their home. India has been the arena of chivalric deeds and of appalling tragedy, the battle ground of truth and error, the field of some of the most inspiring conquests of Christianity. But the India of the future is to be a nobler study still. We even now see a gradual unification of its many principalities and powers on a grander scale than that of Italy or Germany, with the gradual growth and supremacy of the English tongue and the surer domination of Western science and Christian thought. We furthermore see the development of her industrial arts, and so the opening of hitherto unutilized natural products of this vast empire. We see rural communities changing into the grander features of civic life, swayed, as we believe they will be, by wiser legislation and purer morality than past centuries have seen. We see, even now, the multiplication of schools, colleges, churches, and other features of Christian civilization, molded by Occidental ideas, yet adapted to Oriental conditions. In journeying...
