Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

HALO: PRIMORDIUM

Tor Books. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 9.1in. x 6.0in. x 1.2in. A long time ago, I was a living, breathing human being. I went mad. I served my enemies. They became my only friends. Since then, I've traveled back and forth across this galaxy, and out to the spaces between galaxies--a greater reach than any human before me. You have asked me to tell you about that time. Since you are the last true Reclaimer, I must obey. Are you recording Good. Because my memory is failing rapidly. I doubt I'll be able to finish the story. Once, on my birth-world, a world I knew as Erde-Tyrene, and which now is called Earth, my name was Chakas. . . In the wake of apparent self-destruction of the Forerunner empire, two humans--Chakas and Riser--are like flotsam washed up on very strange shores indeed. Captured by the Master Builder, misplaced during a furious battle in space, they now find themselves on an inverted world where horizons rise into the sky, and where humans of all kinds are trapped in a perilous cycle of horror and neglect. For they have become both research animals and strategic pawns in a cosmic game whose madness knows no end--a game of ancient vengeance between the powers who seeded the galaxy with life, and the Forerunners who expect to inherit their sacred Mantle of duty to all living things. In the company of a young girl and an old man, Chakas begins an epic journey across a lost and damaged Halo in search of a way home, an explanation for the warrior spirits rising up within, and for the Librarians tampering with human destiny. This journey will take them into the Palace of Pain, the domain of a powerful and monstrous intelligence who claims...
