SCOTLAND'S EMPIRE

DOWNLOAD

Paperback. Book Condition: New. Not Signed; In *Scotland's Empire*, T.M Devine tells the compelling story of Scotland's role in forging and expanding the British Empire, from the Americas to Australia, India to the Caribbean. By 1820 Britain controlled a fifth of the world's population, and no people had made a more essential contribution than the Scots - working across the globe as soldiers and merchants, administrators and clerics, doctors and teachers. In this widely praised book, T. M. Devine - acclaimed author of *The Scottish Nation* and *To the Ends of the Earth: Scotland's Global Diaspora* - traces the vital part Scotland played in creating an empire - and the fundamental effect this had in moulding the modern Scottish nation. A tour de force. Tom Devine is the pre-eminent historian of modern Scotland. (Niall Ferguson, author of *Empire*). *Captivating* tells the story of the Scots who put their marching boots on, or were forced into them, to start a new life abroad. (Barclay McBain, *Herald*). A fascinating work, replete with telling detail. (Allan Massie, *Literary Review*). Nobody has done more over the past thirty years to bring Scottish historiography into rigorous and unsentimental alignment with developments elsewhere than Tom Devine. (Colin Kidd, *The Times Literary Supplement*). *Captivating* tells the story of the Scots who put their marching boots on, or were forced into them, to start a new life abroad. (*Economist*). T.M. Devine, OBE is University Research Professor and Director of the Research Institute of Irish and Scottish Studies at the University of Aberdeen. His other books include *The Scottish Nation* and *To the Ends of the Earth*. book.
