Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

VENCEREMOS: VICTOR JARA AND THE NEW CHILEAN SONG MOVEMENT

PM Press, United States, 2014. Paperback. Book Condition: New. 210 x 132 mm. Language: English . Brand New Book. When socialist Salvador Allende won Chile's presidential election in 1970, a powerful cultural movement accompanied him to power. As the CIA actively funded opposition against Allende, the New Chilean Song Movement rose to prominence, persuading voters with its music. A short cultural history, this title charts the movement from Allende's victorious campaign to the brutal American-backed military coup in 1973, which overthrew Allende and imposed dictator Augusto Pinochet.
