Random House USA Inc, United States, 2010. Paperback. Book Condition: New. Reprint. 202 x 130 mm. Language: English . Brand New Book. Look for the discussion guide inside In the autumn of 2000, Hope Edelman was a woman adrift, questioning her marriage, her profession, and her place in the larger world. Feeling vulnerable and isolated, she was primed for change. *The Possibility of Everything* is the story of the change that found her. A chronicle of her extraordinary leap of faith, it begins when her three-year-old daughter, Maya, starts exhibiting unusual and disruptive behavior. Confused and worried, Edelman and her husband make an unorthodox decision: They take Maya to Belize, suspending disbelief and chasing the promise of an alternative cure. This deeply affecting, beautifully written memoir of a family's emotional journey and a mother's intense love explores what Edelman and her husband went looking for in the jungle and what they ultimately discovered--as parents, as spouses, and as ordinary people--about the things that possess and destroy, or that can heal us all.
